

Term 2 - 2022

Early Years and Primary CS Leader workshops

Early Years and Primary CS Leaders *Term 2 workshops*

Registrations for full day CS (Christian Studies) Leader workshops for term 2 are open. These were developed in consultation with CS Leaders from LESNW learning communities.

While workshops are offered in regional hub groups, you have flexibility to choose your preferred date and venue. Workshops will be in smaller clusters and shaped according to areas of interest, need, and accessibility. The purposes, structure, and networking opportunities will be the same.

Each workshop day includes a session devoted to theological reflection, practical applications through the lens of DT (Design Thinking) project groups, and collaboration over the sharing of resources and ideas.
