

# Early Career Teacher's Day

**Friday May 19<sup>th</sup> 2023**

**9am - 3pm**

**LESNW Meeting Room 1**

**137 Archer Street, North**

## Early Career Teacher's Day - Early Years, Primary and Secondary

(For teachers in their 1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup> year of teaching in the Lutheran Education system)

This is a wonderful opportunity for teachers new to Lutheran Education to understand more about what it means to be part of our system. The purpose of the day is to bring early career teachers in the Lutheran system together to:

- Deepen their understanding of the Lutheran Education approach to teaching (vocation) and broader system (place)
- Learn from stories of experienced educators
- Experience community with their peers from other Learning Communities
- Feel valued by the 'system' and feel part of the Lutheran Education community

Teachers are asked to bring along an artefact that represents a 'community' they belong to.

Please register teachers [here](#) by Friday 12<sup>th</sup> May 2023.
