

Secondary Christian Studies Leaders Professional Learning Workshop

The day will include Compassionate Systems tools and practices, networking and collaboration. Janet Moeller - LEA CSCF Review Project Officer will also be our guest presenter.

Participants will:

- Receive an update on the CSCF Review
- Contextualise Free to flourish to their learning community
- Hear how other learning communities are intentionally developing skills and capabilities in their students
- Explore how skills and capabilities can be explicitly grown through Christian Studies
- Collaborate with and learn from other Christian Studies Leaders
- Plan learning community Christian Studies projects for 2024
