LILLC COMBINED MEETING

Leaders in Lutheran Learning Communities are invited to the LESNW Regional Office for the Term 4 LILLC workshop.

“Discover how LESNW empowers learning communities to live out their mission and vision with purpose and impact”

During this interactive afternoon, staff from the LESNW regional office will share with participants the focus of their work, connection to Growing Deep and LESNW strategic intentions.

Participants will be invited to reflect and engage with provocations from each of the presenters, making connections to their own work and professional learning for 2025.

You are invited to network with your colleagues after the informative session with drinks, nibbles and conversation.

Monday, 4 November
