

# LILLC PRIMARY TERM 1

Leaders in Lutheran Learning Communities are invited to St Jakobi Lutheran School for our Term 1 LILLC gathering on Friday 7 March.

## Story from the Field

Capability: **Leading the Team**

Outcome: **Growing Capacity**

Petrea Booth (Principal) and Sarah Lowke (Assistant Principal) will both share the Story from the Field Case Study.

Our 'Story from the Field' will focus on the leadership capability of **Leading the Team**, with a particular emphasis on the outcome **Growing Capacity**.

We are excited to take all LILLC members on an '**Amazing Race**' as we share our journey of initiating significant changes by empowering all stakeholders in our community to be leaders.

By fostering a culture of collaboration, ownership and shared leadership, we have strengthened our team's capacity to make a meaningful difference. Through this experience, we aim to inspire and equip others to build leadership at all levels, ensuring every child, educator and family member feels valued and empowered to contribute to a thriving learning community.

We look forward to an engaging and dynamic session as we explore how leadership in action can create lasting impact.

**Friday, 7 March 2025**

**St Jakobi Lutheran School**

*208 Lyndoch Valley Rd, Lyndoch 5351*

**9.00am - 3.00pm**

## Participants will have the opportunity to:

- Connect and network with leaders across SA, NT & WA
- Develop leadership through spiritual reflections and Growing Deep leadership and formation framework
- Engage in a 'Story from the field'

## **REGISTER HERE**

Registrations close Friday 28 February.

Note: A video conference link (Microsoft Teams) is available for those planning to participate remotely.
