GOVERNANCE 101 IN LESNW & LEVNT

with Jane Mueller, Governance Leadership Director

Round 1, 2026

This workshop complements and reaffirms the induction that takes place within the local learning community. It also serves as a 'governance refresher' for those already engaged with governance in a Lutheran learning community.

This was an excellent way to refresh my knowledge about what is and isn't in the purview of school boards. I enjoyed working with other group members to brainstorm and unpack challenging scenarios. Most of all, I found the information relevant and helpful, as I serve a dual role working within a school while also serving on a school board.

– Daniel Wood, previous participant

This free two-hour workshop is available on three occasions. Participants need register for one date only. A Teams link will be provided upon registration.
