Mary Obara is the program manager from our partnership with Lutheran World Federation, Kenya-Somalia. She will share her wealth of knowledge in our programs on the ground in Kenya and Somalia.

Hear about Mary's work in communities facing conflict, displacement, and poverty in South Sudan, Somalia, Mali, Benin, and Kenya. She has worked with women experiencing gender-based violence, children at risk, and families striving to rebuild their livelihoods.

She is a real champion for education... especially **education for girls**.

Mary's portfolio is vast! A great chance to dig deep into some of the issues faced in the field.

Hear how your efforts in Australia are translating into life-saving efforts in-country.
