16-17 February 2026

Bridgeport Hotel

2 Bridge St, Murray Bridge

Principals Workshop

This February, LESNW principals are encouraged to come together in Murray Bridge for a two-day Principals Workshop focused on the realities of the principal role - workload, leadership, and sustainability.

Through expert facilitation, shared conversation, and practical leadership frameworks, this program will create space to reflect, collaborate, and co-design solutions that support principals, leaders, future principals, schools, and the children we serve.

We look forward to seeing you there.

Facilitator:

Jane Simmons PM
