

# 2026 LESNW SPIRITUAL RETREAT

**FOR THOSE INVOLVED IN THE SPIRITUAL MINISTRY  
OF SCHOOLS – PRIMARY OR SECONDARY**

***“Be still and know that I am God”*** Psalm 46

Spiritual leadership is an essential component of every leader in all Lutheran learning communities. For spiritual leadership to be authentic it needs to flow from a deep personal spirituality centred on Jesus. The LESNW Spiritual Retreats assist participants to build on their personal spirituality, thereby equipping them in their spiritual leadership.

The **collegial** retreat is the main event. Participants are asked to bring along and share a resource they have discovered and/or used for the spiritual development of staff. We will then form a program based on what participants bring.

The **silent** retreat is an optional pre-event. It will be a time of silence for personal spiritual reflection. While this may be a foreign concept for many, participants will be provided with guidance and resources, and conclude with a time of mutual sharing and reflection.

Participants are invited to attend one or both retreats.

For both retreats, participants are invited to arrive from 5:00pm in time for dinner at 6:00pm. Costs include accommodation, linen and meals.

**Register here by Monday 25 August.**
