# Governance 101 in LESNW & LEVNT

with Jane Mueller, Governance Leadership Director

Round 2, 2026

This workshop serves as a 'governance refresher' for those already engaged with governance in a Lutheran learning community. It also complements and reaffirms the induction that takes place within the local learning community.

*The depth that this course covers within a two-hour timeframe, and how the material is presented, was impressive and I sincerely feel it has prepared me to be a more effective and supportive board member as I embark on my second term on the board.*

- Craig Buckberry, previous participant

*The historical content was helpful; it gave reason for the growing importance of understanding and doing good governance in schools.*

- Adrian Kitson, previous participant

This free two-hour workshop is available on three occasions. Participants need register for one date only. A Teams link will be provided upon registration.
