

COMBINED MEETING OF PRINCIPALS, DIRECTORS AND BUSINESS MANAGERS

Welcome to this **milestone event** – a joint meeting of principals, directors and business managers, to **celebrate and recognise** your critical partnership and the direct influence the **relationship** has on educational and community outcomes in your learning community.

The principal and business manager partnership is one of the clearest expressions of **vocation and service** - two roles, different accountabilities, but a **shared calling** to shape the health, culture and future of the learning community.

Thank you for your service and contribution to our learning communities. Leave affirmed and energised by the shared learning and the opportunity to **shape our future**, strengthening **partnership and productivity**.

*What we aim at shapes what we **see**. What we see shapes what we **do**. What we do shapes who we **become**.*
