# Sabbatical

**Are you … seeking a bespoke sabbatical experience?**
**Are you … wanting to develop, articulate and resource your own personal strategic plan (growth and wellbeing plan)?**

## Purpose:

Step back from the urgency of school life and attend to the deeper work of leadership: vocation, formation, trust, wellbeing, strategic clarity and the flourishing of the learning community.

The retreat offers a curated "smorgasbord" of prompts, practices, readings, music, activities and planning tools from which each principal can shape a bespoke Personal Strategic Plan, understood also as the Principal Growth and Wellbeing Plan.

## Setting:

- Small group 5-6
- Natural setting, individual accommodation (suited to group)
- Individual retreat navigating structured content
- Shared hospitality and reflection with colleagues
