Early Years Directors Day

Connect. Contribute. Shape.

Participants will:

Connect with fellow Directors from across LESNW to build connections, share experiences and learn from one another.

Contribute ideas and thinking about Christian education in the Early Years, helping to explore what high-quality early learning can look like in our contexts.

Shape what comes next by sharing insights to inform the direction and design of future professional learning and networking opportunities for Early Childhood Education and Care (ECEC) in LESNW.
